Certification Program

+ Learn to administer and interpret the Strong Interest Inventory® results and to apply results to career development, career change and exploring career/subject options.

+ Become eligible to purchase, administer and facilitate the Strong Interest Inventory® upon successful completion of the program

Who Should Attend?

The program is designed for career guidance counselors, outplacement specialists, HR consultants and other HR professionals who facilitate, mentor or coach working adults and/or students on career exploration and career planning.

The Strong Interest Inventory® is the one of the most respected and widely used career planning instruments in the world and it has been used extensively in the education sector and in organizations. It guides students and individuals in their search for a rich and fulfilling career by revealing their interest patterns through a range of complementary scales which include General Occupation Themes, Occupational Scales and Personal Style Scales.

It is a valuable tool for counselors working with students exploring career options and subject choices; for career counselors, HR professionals or coaches working with working adults during career transition or placement to understand and explore various career options.

Applications of the Strong Interest Inventory® include Career Exploration, Leadership and executive coaching and Talent Retention.

Course Details

The Strong Interest Inventory® course is intensive and highly interactive. Topics include overview of the Strong Interest Inventory® tool, how to administer the instrument and how to interpret and explain the results.
