Objectives

In this session, you will:

- Explore career options through the lens of the *Strong Interest Inventory*® assessment
- Clarify your interests and learn how they relate to career, educational, and leisure-time choices
- Learn how to use your Strong results in selecting occupations, academic majors, and leisure pursuits

Selected Sample Slides

Establishing ground rules for our work together

- Notice your reactions, thoughts, and feelings
- Understand and listen to others' perspectives
- Notice others' reactions and how their style differs from yours
- Respect boundaries of confidentiality
- Encourage openness and curiosity
- Consider practicalities
- What else?
